Dear Member,

Thank you for your previous responses to questionnaires over the years asking what you would like the Club to do and what activities you are interested in doing with your dog. We would like to be aware of your willingness to become involved and what activities you would like to help with. Thank you very much for your past involvement in any activity.

We want to gather as many email addresses as we can. We will be sending out announcements of events which might interest you but which have short advance notice times, plus other information about the club, which would be appropriate for email transmission. Also, please provide your dog's information for our files.

Dear Member:

It is that time of year again when it is time for you to renew your membership with the Great Pyrenees Club of California. The Board of Directors would like to take a moment to provide you with our appreciation for your continued membership and let you know what we have in store for the coming year.

The Board is committed to provide you with information about events and the Great Pyrenees breed through our newsletter which is published on a regular basis. We also have several events planned and we are looking for additional opportunities to host Pyr-Ins, parades and activities for you and your dog(s). We will be partnering with Great Pyrenees Rescue of Northern California on several events, including hosting the Spay Neuter Competition at the Rescue Appreciation Day picnic.

We are interested in your input and assistance in the coming year, so if you are interested in hosting an event or have a special talent that you would like to share, please feel free to contact any of the GPCC Board members to provide input on the direction of the Club.

Thank you again for your continued support.

Please check the box and sign below if you wish to receive emails from the club regarding events and other notices.
